Face Mask  
WTA5590-Titanium

### Titanium Wire Face Mask

Wilson's design team has actually mounted shock absorbers on an umpire helmet!

The new Quad-Axial impact design diffuses energy from four key zones – the forehead, chin and both temples.

Wilson testing shows this results in 50% more energy absorption.\* You've never been safer behind the plate!

Premium leather chin liner \* Guranteed paint job \*

Face Mask  
WTA3077BLTI: Titanium

**10" MLB Official Gear**

Light Titanium Wire Mask

The distinctive steel gray appearance has triggered plenty of questions, but the key to this mask is the tremendously lightweight titanium frame. The Wilson Titanium mask is built with the same low-profile design as the Wilson New View mask, but Titanium is significantly lighter.

Leg Guards  
WTA3409 BLA

### West Vest Leg Guards

16-17", 18-19"

The Pro Model umpire shin guards provide more protection above the knee from its triple-knee design than other shin guards and more size options than other Wilson models.

Adjustable sizing: (16"-17" or 18"-19") for custom fit of most knee to foot lengths. Sizes are not the full length of the shin guard but the distance between where the middle of your knee would go to where your leg meets your foot.
